

## **STAGE 3 Protocols, Procedures & Communicable Diseases Plan**

**On July 1st we entered, the third step of a 4 step restart plan**

**Welcome to STAGES! Your health, like always, is our priority.**

We take our role as members of your community seriously and wanted to provide you with the procedures and protocols and our New Communicable Disease Strategy we have in place for your health and safety. We remain committed to doing everything to make smooth and clear transitions through the Public Health Phases. We would like to take this opportunity to sincerely thank you all for your unwavering support and kindness during these unprecedented times.

**We believe it is our responsibility to provide a safe, sanitized, and comfortable environment for all.**

### **PROCEDURES, PROTOCOLS and OUR NEW COMMUNICABLE DISEASE PLAN**

Following the direction of The Ministry of Health and Work Safe BC, we'll be operating under enhanced protocols to ensure safety, such as:

#### **ARRIVING AT THE STUDIO**

- Effective July 1st, Masks are Recommended but Not Mandatory
- Masks Optional and Still advised for those individuals 12 and over that have not been Fully Vaccinated and 2 weeks past their second vaccine
- Stay Home if you are Sick. If anyone in your household is Sick - Please Stay home.
- Our Greeter and Hand Sanitizing will remain at STAGES as you enter our Studio. If for any reason you can not use Hand Sanitizer you will be directed upstairs to the washrooms to wash your hands according to the posted directions located in each bathroom.
- One Way Flow will remain in place
- Drop Off Pick Up Only
- For increased ventilation windows in each Studio will remain OPEN and will be opened by the teachers or STAGES management only.
- Dress codes remain in effect. Please arrive dressed and ready to go with your hair either in a bun or pulled back off your face, no jewelry. A back pack and a labeled water bottle are permitted.
- Enhanced Cleaning practices remain in place.

#### **We have mandated that all STAGES Staff and teachers:**

1. As a precaution MASKS for our staff makes will remain in place until our staff members have been fully vaccinated and 2 weeks post vaccination
2. Daily health checks will remain in place for all staff and teachers.
3. Sanitize or wash their hands, before every class.
4. Clean and disinfect personal items such as computers, lap tops, iPads
5. Enhanced cleaning practices are in place.
6. Sanitize their hands after each class
7. Managers and the directors will continue to be available remotely and/or on site in order to support our teachers, staff, students and parents.

8. We will work collaboratively to ensure appropriate safety measures are in place and adhered to.

9. They will stay at home if they are sick and/or not feeling well

**We are deeply grateful for your support & Kindness through these times!**
