While there are two shows, this does not mean your dancer is in both shows. There will be different numbers and classes in each show. If your dancer is in multiple classes, their classes might be in both shows. Please check the show runs/order to make sure that you know if they are in either the 11am performance or the 2:30pm performance. Some students will be featured in both shows if they are in multiple classes.

1st Performance begins at 11am - Please drop your performers off at the Back Stage door at 10:15am located to the right side of the building for check. Following the performance pick up is in the balcony. Approximately 100 minutes with NO intermission.

2nd Performance begins at 2:30pm - Please drop your performers off at the Back Stage door at 1:45pm located to the right side of the building for check in. Following the performance pick up is in the balcony. Approximately 110 minutes with NO intermission.

PREPARE FOR YOUR ARRIVAL TO THE THEATRE: Please give yourself ample time to park and find your way to the theatre especially when walking with little ones. Prepare to arrive about 30 minutes prior to the performance time. This will give you enough time for your ticket to be scanned and find your way to your seat. Staff is on hand to assist as needed. Please ask if you require assistance. Concession and coat check are not available at the show, but some on-campus restaurants and convenience stores may be open on Saturdays.

UPON ARRIVAL AT THE THEATRE: Please have your ticket(s) ready to be scanned. For digital copies, please turn your phone's brightness up to ensure the ushers can scan the code easily. Please enter the theatre and follow the directions of the ushers and sit in your assigned seat.

The Theatre is committed to creating a safe and comfortable entertainment experience where patrons can enjoy their time in the theatre. If at any point in your visit you have any questions or concerns, please do not hesitate to speak to one of the theatre staff members. This gives us the opportunity to remedy the situation so you can enjoy the performance.

Camera, audio and visual recording equipment such as your phone is **prohibited**. There is no outside food or drink allowed into the theatre. The UVic Farquhar Auditorium reserves the right to refuse admission. Be nice.

- You are welcome to applaud for everyone and every group!

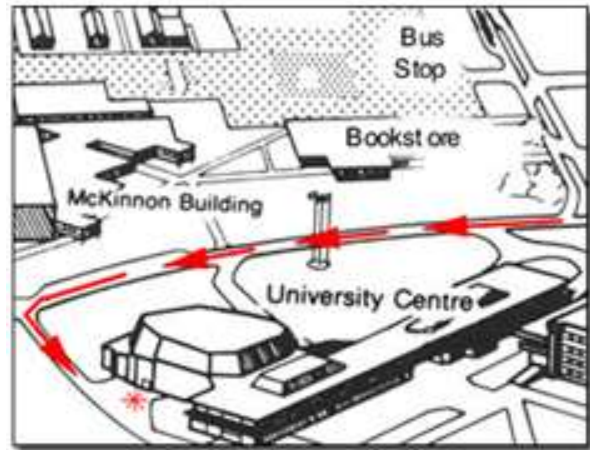

DROP OFF, PICK UP, DEN PARENTS, PROGRAM, AND A SINCERE THANK YOU

Drop Off:

Dancers are to be dropped off at the back stage “loading bay” door. They will be checked in and escorted to their assigned area. They cannot move through the audience chamber to get backstage. Likewise, parents cannot enter from the backstage door to reach the audience chamber, unless you are apart of the Little Dancers Class.

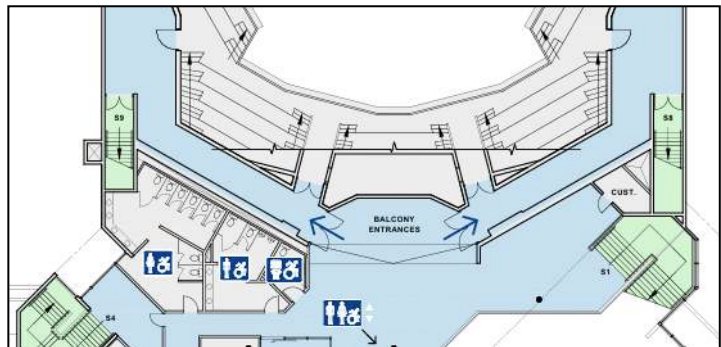

The image on the right shows where the loading bay door is located. It is behind the building and its main entrance, down the next left turn off Ring Road, after the loop in front of the theatre.

Pick Up:

Students will be taken to the Balcony after they have performed their final number in the show.

There they will be able to watch the remainder of the performance from their balcony seat with their assigned Den Parent. Students are to be picked up at the end of the show in the Balcony

Please remember, when you do pick up your child to be patient - the Den Parents will be confirming that the right person is picking up the right student. All Performers will be in the balcony by the end of the show.

Den Parent Volunteers:

Our backstage parent volunteer positions are almost all filled! Thank you to all that have signed up already! We have a few classes that we are hoping to cover with new volunteers.

If you wish to volunteer as a Den Parent there is a sign up form in the office. Please give the office a call at 250 384-3267.

Den parents stay with their assigned group of students for the whole show. These volunteers help get students ready for their performance, and sit with them until pickup in the balcony! Volunteers also receive a free ticket voucher for their family to receive free seating in the audience chamber. As a volunteer, you will still be able to view your dancer's performance from the sides of the stage.

Programs:

You will be able to assess this year's Program by QR code link ONLY! Program QR code will be posted prior to the recitals. You will be able to view the program information on your phone or device prior to our recitals and during the performance.
