WELCOME TO STAGES!

Welcome to STAGES family! Our goal is that each, and everyone of our dancers is continually being inspired and challenged to learn and improve their technique in a warm, safe, non-competitive and enjoyable environment. Our experience and professional teaching staff provide a professional attention and positive motivation to all students, whether they are working at a recreation or pre-professional level. We encourage each student to work at their own personal best in a friendly and nurturing atmosphere. Our focus as STAGES is to provide life skills that will carry them into the future. We strive to produce good people, well-rounded, able to take on any challenge, think on their feet, be community minded, to get back and develop life skills that carry into the future with confidence, creativity, discipline, and social skills.

Wednesday September 30th, The National Day of Truth and Reconciliation

STAGES Performing Arts School will be CLOSED in respect of the National Day of Truth and Reconciliation. This day honours the children who never returned home and the survivors of residential schools. As well as their families and communities. Public commemoration of this tragic and painful history and ongoing impacts of residential schools is a vital component of the reconciliation process.
